

# 2024 US Department of Defense Strategic Guidance: Sustaining Global Leadership

The 2024 US Department of Defense Strategic Guidance is a comprehensive document that outlines the Department's strategy for the next four years. The guidance is based on the National Defense Strategy (NDS), which was released in January 2018. The NDS provides the strategic foundation for the Department's planning and programming, and the Strategic Guidance provides the specific guidance necessary to implement the NDS.

## The Strategic Environment

The global security environment is complex and challenging. The United States faces a range of threats, including:

\* The rise of China and Russia as great powers \* The proliferation of nuclear weapons and other weapons of mass destruction \* The threat of terrorism \* Climate change

These threats are interconnected and they pose a significant challenge to US national security.

## **The Department's Mission and Vision**

The Department of Defense's mission is to provide for the security of the United States. The Department's vision is to be the world's premier military force, capable of deterring and defeating any adversary.

## **The Department's Strategic Priorities**

The Department's five strategic priorities are:

\* Defending the homeland \* Deter and defeat aggression \* Build and sustain global alliances and partnerships \* Modernize the military \* Strengthen the Department's workforce

These priorities are interdependent and they must be pursued in a balanced way in Free Download to achieve the Department's mission and vision.

## **The Department's Resourcing Strategy**

The Department's resourcing strategy is based on the following principles:

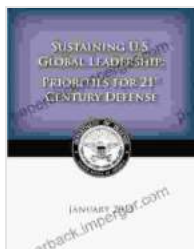

\* The Department will invest in the capabilities it needs to meet the challenges of the future. \* The Department will prioritize investments in

readiness and modernization. \* The Department will seek to achieve greater efficiency and affordability.

The Department's resourcing strategy will ensure that the Department has the resources it needs to defend the homeland, deter and defeat aggression, build and sustain global alliances and partnerships, modernize the military, and strengthen the Department's workforce.

The 2024 US Department of Defense Strategic Guidance is a critical document for understanding the Department's plans for the future. It provides a roadmap for the Department's efforts to defend the homeland, deter and defeat aggression, build and sustain global alliances and partnerships, modernize the military, and strengthen the Department's workforce.

The Strategic Guidance is available for download on the Department's website.
