

Adjudicating Global Business in and with India: A Comprehensive Guide for Legal and Business Professionals

India is a rapidly growing economy with a population of over 1.3 billion people. It is the seventh largest economy in the world and is expected to become the third largest by 2030. This growth has led to a significant increase in foreign direct investment (FDI) in India. In 2021, India received a record \$83.6 billion in FDI.

Adjudicating Global Business in and with India: International Commercial and Investment Disputes Settlement (Routledge Research in Corporate Law) by Leila Choukroune

★★★★★ 5 out of 5

The Indian government has made a number of reforms in recent years to make it easier for foreign companies to do business in India. These reforms include simplifying the FDI approval process, reducing corporate taxes, and improving infrastructure.

Despite these reforms, there are still a number of challenges that foreign companies face when doing business in India. These challenges include:

- Complex legal and regulatory framework
- Bureaucracy and corruption
- Lack of transparency
- Weak intellectual property protection

The book "Adjudicating Global Business in and with India" provides a comprehensive guide to the legal and regulatory framework governing global business in and with India. The book covers a wide range of topics, including:

- Foreign direct investment
- Joint ventures
- Intellectual property
- Taxation
- Dispute resolution

The book is written by a team of experts with extensive experience in advising foreign companies on doing business in India. The book is a valuable resource for legal and business professionals who are involved in global business in and with India.

Table of Contents
