

Arbitrators As Lawmakers: A Comprehensive Exploration of Arbitral Decision-Making

In the intricate realm of international arbitration, arbitrators play a pivotal role not only as adjudicators but also as lawmakers. "Arbitrators As Lawmakers: International Arbitration Law Library Set 43" is an indispensable guide that unveils the fascinating world of arbitral lawmaking, providing invaluable insights into the processes and principles that shape arbitral decision-making.

Navigating the Complexities of Arbitral Lawmaking

This meticulously crafted volume explores the intricate relationship between arbitrators and the law they create. It delves into the sources of arbitral authority, examining the role of arbitral tribunals in interpreting and applying international conventions, national laws, and party agreements. Through detailed analysis and practical examples, the book sheds light on the factors that influence arbitral decision-making, including the parties' submissions, expert testimony, and prevailing legal doctrines.
