If you're one of the millions of Americans who is struggling with credit card debt, there is hope. In his new book, 'Blowing the Whistle on Credit Card Debt: Winning the Collection Game,' former credit card executive and debt settlement expert Gary Herman reveals the insider secrets and strategies

that can help you break free from the shackles of debt and regain control of your financial future.

Herman, who spent years working for one of the largest credit card companies in the world, knows the inner workings of the credit card industry. He's seen firsthand how credit card companies use deceptive tactics to lure customers into debt and then keep them there.

In 'Blowing the Whistle on Credit Card Debt,' Herman shares his insider knowledge and provides step-by-step instructions on how to:

- Negotiate lower interest rates and monthly payments
- Consolidate your credit card debt into a single, lower-interest loan
- Settle your credit card debt for less than you owe

Herman also provides valuable advice on how to protect yourself from predatory collection agencies and rebuild your credit score.

If you're ready to take control of your credit card debt and get your financial life back on track, 'Blowing the Whistle on Credit Card Debt: Winning the Collection Game' is the book you need.
