In her inspiring memoir, *Everything Changes With Brain Surgery*, author Lynette Rummel shares her extraordinary journey of courage, resilience, and hope after undergoing a life-changing brain surgery.

Lynette's story begins with the sudden onset of a debilitating condition that left her struggling to speak, walk, and think. After years of misdiagnoses and unsuccessful treatments, she was finally diagnosed with a rare brain tumor. The news was devastating, but Lynette refused to give up hope.

With the support of her family and friends, Lynette underwent a risky brain surgery that gave her a second chance at life. However, the recovery process was long and arduous. Lynette had to relearn how to walk, talk, and eat. She also struggled with memory loss, seizures, and other complications.

Despite the challenges, Lynette never gave up. She drew strength from her faith, her family, and her unwavering belief in herself. Through sheer determination and perseverance, she slowly but surely regained her independence.

In *Everything Changes With Brain Surgery*, Lynette shares her firsthand account of the physical, emotional, and spiritual challenges she faced during her recovery. She also offers insights into the importance of hope, resilience, and the power of the human spirit.

Lynette's story is an inspiration to anyone who has ever faced adversity. It is a reminder that even in the darkest of times, hope can prevail.

### **Praise for *Everything Changes With Brain Surgery***

"Lynette's story is a powerful testament to the strength of the human spirit. Her courage, resilience, and hope are an inspiration to us all." - **Dr.**

**Mehmet Oz**

"*Everything Changes With Brain Surgery* is a must-read for anyone who has ever faced adversity. Lynette's story is a reminder that we can overcome anything if we never give up hope." - **Chicken Soup for the Soul co-author Jack Canfield**

"Lynette Rummel is a true warrior. Her story is an inspiration to anyone who has ever faced a challenge. *Everything Changes With Brain Surgery* is a book that will stay with you long after you finish reading it." - **New York Times bestselling author Debbie Macomber**

### **About the Author**

Lynette Rummel is a brain tumor survivor, author, and speaker. She is the founder of the Brain Tumor Awareness Foundation, a non-profit organization dedicated to raising awareness about brain tumors and providing support to brain tumor patients and their families.

Lynette's story has been featured in numerous media outlets, including The Today Show, CNN, and The New York Times. She has also spoken to audiences around the world about her experience and the importance of hope and resilience.
