The book begins with an overview of the IBA Rules, including their history, purpose, and scope. It then provides a detailed analysis of each of the Rules, including the following:

- The scope of the Rules
- The role of the arbitral tribunal in the taking of evidence
- The rights of parties to present evidence

- The methods of taking evidence
- The admissibility of evidence
- The weight and evaluation of evidence

The book also includes a number of helpful appendices, including a glossary of terms, a table of cases, and a bibliography.

Audience

This book is intended for practitioners and academics who are involved in international arbitration. It is also a valuable resource for students of international arbitration.

Author

The author of this book is Professor Gary B. Born. Professor Born is a leading expert on international arbitration. He is the author of numerous books and articles on the subject, and he is a frequent lecturer at international arbitration conferences.

Reviews

"This book is a must-have for anyone who practices international arbitration. It is the most comprehensive and up-to-date guide to the IBA Rules on the Taking of Evidence." - ***Lord Mance, former Deputy President of the Supreme Court of the United Kingdom***

"Professor Born has written a clear and concise guide to the IBA Rules on the Taking of Evidence. This book is an essential resource for practitioners and academics alike." - ***Professor Jan Paulsson, Stockholm University***
