"Grandma Grandpa Are Getting Divorced" is a book that helps kids understand what divorce is and how it might affect their lives. It's written in a clear, easy-to-understand language, and it uses simple, age-appropriate language to help kids make sense of what they're going through.

The book begins by explaining what divorce is, and it goes on to discuss the different reasons why people get divorced. It also talks about the legal process of divorce, and it provides kids with tips on how to cope with the changes that are happening in their lives.

One of the things that makes this book so helpful is that it's written from the perspective of a child. This helps kids feel like they're not alone, and it

provides them with a sense of hope that they can still have a happy and fulfilling life even after their parents' divorce.

The book also includes helpful tips for parents on how to talk to their kids about divorce, and it provides resources for kids who are struggling with the aftermath of divorce.

If you're a child or a parent who is dealing with the challenges of divorce, I highly recommend reading "Grandma Grandpa Are Getting Divorced." It's a valuable resource that can help you understand what's happening and how to cope with the changes that are happening in your life.
