File size : 39383 KB

Our Broken Silence is a powerful and moving memoir that tells the story of two sisters who survived sexual abuse and incest. The book is a testament to the resilience of the human spirit and the importance of speaking out against abuse.

The authors, Jane and Mary Doe, were both abused by their father from a young age. The abuse continued for years, and the sisters were too afraid to tell anyone what was happening. They lived in constant fear and shame, and they felt like they were the only ones who were experiencing this kind of trauma.

Finally, when Jane was 16 years old, she decided to confide in her best friend. Her friend convinced her to tell her mother, and the abuse was finally stopped. Jane and Mary then went on to college and started their own families. They both struggled with the effects of the abuse, but they were determined to overcome their past and live happy and fulfilling lives.

In *Our Broken Silence*, Jane and Mary share their story in the hopes of helping others who have experienced sexual abuse. They want to show that it is possible to survive and heal from abuse, and they want to encourage others to speak out against it.

Our Broken Silence is a powerful and inspiring story of survival and resilience. It is a must-read for anyone who has been affected by sexual abuse, and it is a valuable resource for anyone who wants to learn more about this important issue.
