The Uniform Commercial Code (UCC) is a comprehensive set of laws that governs commercial transactions in the United States. It was first published in 1952 and has been adopted by all 50 states, the District of Columbia, and the U.S. Virgin Islands. The UCC is divided into nine articles, each of which covers a different area of commercial law.

Article 1 of the UCC provides general provisions that apply to all commercial transactions. These provisions include definitions of key terms, such as "contract" and "sale," as well as rules governing the formation and performance of contracts.

Article 2 of the UCC governs the sale of goods. This article covers a wide range of topics, including the formation of sales contracts, the rights and

Pflichten of buyers and sellers, and the remedies available for breach of contract.

Article 3 of the UCC governs negotiable instruments. This article covers a wide range of topics, including the definition of negotiable instruments, the rights and Pflichten of holders and makers of negotiable instruments, and the remedies available for breach of contract.

Article 4 of the UCC governs bank deposits and collections. This article covers a wide range of topics, including the definition of bank deposits and collections, the rights and Pflichten of banks and depositors, and the remedies available for breach of contract.

Article 5 of the UCC governs letters of credit. This article covers a wide range of topics, including the definition of letters of credit, the rights and Pflichten of issuers and beneficiaries of letters of credit, and the remedies available for breach of contract.

Article 6 of the UCC governs bulk sales. This article covers a wide range of topics, including the definition of bulk sales, the rights and Pflichten of buyers and sellers of bulk sales, and the remedies available for breach of contract.

Article 7 of the UCC governs warehouse receipts, bills of lading, and other documents of title. This article covers a wide range of topics, including the definition of documents of title, the rights and Pflichten of holders and issuers of documents of title, and the remedies available for breach of contract.

Article 8 of the UCC governs investment securities. This article covers a wide range of topics, including the definition of investment securities, the rights and Pflichten of holders and issuers of investment securities, and the remedies available for breach of contract.

Article 9 of the UCC governs secured transactions. This article covers a wide range of topics, including the definition of secured transactions, the rights and Pflichten of secured parties and debtors, and the remedies available for breach of contract.
