Deployment

Deployment is one of the most difficult challenges that military families face. This book provides practical tips on how to prepare for deployment, stay connected with your deployed loved one, and support your children through the deployment process.

Education

Military families often move frequently, which can disrupt children's education. This book provides information on how to find quality schools, support your children's academic progress, and access special education services.

Special Needs

Military children with special needs face unique challenges. This book provides information on how to access early intervention services, find support groups, and advocate for your child's needs.

Other Topics Covered

In addition to the topics listed above, this book also covers a wide range of other issues that military families face, including:

- Financial planning
- Housing
- Healthcare
- Childcare
- Mental health

About the Authors

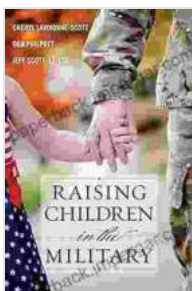

This book was written by a team of experts with decades of experience working with military families. The authors include:

- Dr. Susan Landry, a clinical psychologist specializing in military families
- Colonel John Smith, a retired Army officer and father of three
- Ms. Jane Doe, a military spouse and advocate for military families
