By Eric Davis

Roof Crashers is a book that helps young men build character, resilience, and leadership skills. It is based on the author's own experiences as a Navy SEAL and a father of two young boys.

The book is divided into three parts. The first part covers the basics of building character, including setting goals, overcoming challenges, and developing a strong sense of self-discipline.

The second part of the book focuses on building resilience. This includes learning how to deal with stress, adversity, and failure. It also includes developing a strong sense of purpose and meaning.

The third part of the book covers the basics of building leadership skills. This includes learning how to motivate others, build teams, and make decisions. It also includes developing a strong sense of empathy and compassion.

Roof Crashers is an essential guide for young men who want to build a successful and meaningful life. It is full of practical advice and real-world examples that will help young men develop the skills they need to thrive.
