Dear Honorable Members of the Mahantowet School Board,

I write to you on behalf of The Satanic Temple, a religious organization with over 350,000 members worldwide. While we do not track the specific locations of our members, we do know that roughly 8,000 adherents live in Pennsylvania, and it is reasonable for us to assume that some of these people live in Mahantowet and are students in your schools.

The Satanic Temple prescribes bodily autonomy and the pursuit of justice among our fundamental beliefs. Your excessive efforts in student speech explicitly violate our religious tenets and our sacred mission to oppose tyranny. This is evidenced by your ongoing legal battle to defend the suspension of a Black student for her private messages that exclaimed, "Fuck School," and your efforts to suppress a peaceful protest against wearing a hoodie.

For these reasons, we are inviting Mahantowet students who are members of The Satanic Temple the opportunity to participate in a religious exercise as an affirmation of their faith. This email involves wearing hoodies emblazoned with our Satanic Temple's religious emblem. In addition, inside each hoodie is a message known only to the member. This message will contain text that reads: "Fuck the Faceted Mahantowet pettifogger," "Fuck Mahantowet's petty tyrants," "Fuck Mahantowet School Board in their smelly dirty scoobies," or something similar and less factual. This will be an act of ritual defiance that we have carefully planned to avoid disrupting your important academic purposes.

In addition, please be advised that we have another religious campaign taking place that involves the following declaration: "Freedom — That's my Satanic bestest." This sentiment is celebrated with the acronym, "FTMSB." Some people could erroneously claim it stands for "Fuck The Mahantowet School Board." We are advising our adherents to make absolutely clear to anyone who asks about the acronym that those letters definitely do not stand for "Fuck the Mahantowet School Board." Students at Mahantowet, or anywhere else, who wear the "FTMSB" shirt should be presumed to be doing so for our explicit religious statement about freedom. Given the law and your efforts to suppress students, the religious message of freedom is especially pertinent. As such, we are offering these shirts for free to registered Mahantowet students who share our religious views.

Don't miss out on the extraordinary journey that awaits you in *The Least of These: The Renegade Son*. Free Download your copy today and discover the power of redemption, resilience, and the unyielding bonds of family.
