Walkthrough

The following is a walkthrough of the game's missions.

Prologue

The prologue introduces the game's characters and setting. Players take control of a group of five heroes as they fight their way through a Skaven

lair. The prologue is a good opportunity to learn the basics of the game, including how to use your weapons and abilities.

The Horn of Magnus

In this mission, players must escort a cart carrying the Horn of Magnus to a safe location. The cart is heavily guarded by Skaven, so players must be prepared for a tough fight. The Horn of Magnus is a powerful artifact, so it is important to protect it at all costs.

The Pit

In this mission, players must descend into a deep pit to rescue a group of kidnapped villagers. The pit is filled with Skaven and other dangerous creatures. Players must be careful not to fall into the pit, as it is a long way to the bottom.

The Keep

In this mission, players must defend a keep from a horde of Skaven. The keep is heavily fortified, but the Skaven are relentless. Players must work together to hold the keep and survive the onslaught of enemies.

The End Times

In this mission, players must face off against the Skaven warlord, Thanquol. Thanquol is a powerful foe, so players must be prepared for a tough fight. The End Times is the final mission in the game, so it is important to give it your all.

Tips

Here are some tips to help you succeed in Warhammer Vermintide.

- **Stick together.** The best way to survive in Warhammer Vermintide is to stick together with your teammates. This will help you to defend each other from enemies and complete the missions more easily.
- **Use your abilities wisely.** Each hero in Warhammer Vermintide has unique abilities that can be used to defeat enemies. Be sure to use your abilities wisely, as they can often turn the tide of battle.
- **Be aware of your surroundings.** The Warhammer Vermintide levels are filled with traps and hazards. Be sure to be aware of your surroundings and avoid falling into traps.
- **Don't be afraid to retreat.** If you are overwhelmed by enemies, don't be afraid to retreat. It is better to retreat and regroup than to be wiped out.

Cheats

There are a few cheats that you can use to make Warhammer Vermintide easier. However, using cheats can ruin the game experience for you and your teammates. Therefore, it is important to use cheats only if you are really struggling.

The following are some cheats for Warhammer Vermintide:

- **God mode:** To enable god mode, open the console and type the following command: **god**
- **Infinite ammo:** To enable infinite ammo, open the console and type the following command: **ammo**

- **No clipping:** To enable no clipping, open the console and type the following command: **noclip**

More

In addition to the walkthrough, tips, and cheats above, there are a few other things that you should know about Warhammer Vermintide.

- **The game is available on PC, PlayStation 4, and Xbox One.**
- **The game is rated M for Mature by the ESRB.**
- **The game is developed by Fatshark.**

I hope this guide has been helpful. Good luck in Warhammer Vermintide!
