

# What Your Mother Couldn't Talk About But Your Daughter Needs to Know

As a mother, you want to protect your daughter from the harsh realities of life. But there are some things that you may have hesitated to talk about, things that you thought were too uncomfortable or embarrassing. But your daughter needs to know these things. She needs to know about her body, her relationships, her health, and her future. And she needs to know that you are there for her, no matter what.

This book is a comprehensive guide to the essential conversations that you need to have with your daughter. It covers everything from puberty to menstruation, from contraception to sexual consent, from body image to mental health. It is written in a clear and accessible style, and it is full of real-life stories and examples. It is a book that will help you and your daughter to have open and honest conversations about the important things in life.
